KOMATSU
UNDERCARRIAGE

Komatsu Genuine Undercarriage is designed and manufactured by Komatsu, providing you with quality parts that are built for your machine. We are proud to show our commitment by providing the longest Assurance terms in the industry.

What Komatsu Genuine Undercarriage Products qualify?

All Komatsu Undercarriage products qualify for the Assurance program. Including:

- Parallel Link Undercarriage System (PLUS)
- General Construction (GC)
- Grease Sealed Track (GST)
- Conventional Sealed and Lubricated
- Dual Bushing

Renewable Terms

For any claim that is not 100% covered by Komatsu, Assurance terms start over for the complete undercarriage or component sets that have been replaced.

Program Start Date

Any replacement undercarriage installed after July 1, 2016 qualifies. Additionally, any new machine purchased, with first-fit undercarriage, after July 1, 2016 qualifies.

All Komatsu bulldozers, excavators, and forestry (LL, XT) with Komatsu Genuine Undercarriage qualify for this coverage.

Registration

No registration is required. All purchase information and coverage terms are kept on record by your Komatsu distributor.

Periodic Undercarriage Inspections

Consistent undercarriage inspections by your Komatsu distributor and the UMS (Undercarriage Management System) software are strongly encouraged so emergency component failures are avoided.

Exclusions:

See your local Komatsu distributor for more details.
